SAKAI Appoints Tracey Road Equipment in New York & Northeastern Pennsylvania

Adairsville, GA – Sakai is pleased to announce the appointment of Tracey Road Equipment as an authorized dealer in New York State and Northeastern Pennsylvania.

SAKAI offers a full line of high-quality, high-productivity vibratory soil compactors, seven 4000VPM vibratory asphalt rollers designed for Superpave and other perpetual pavements, as well as combination vibratory/pneumatic rollers and balanced three wheelers. Innovators in compaction equipment for over 80 years, Sakai is also the first to offer a track driven soil compactor for steep slope applications as well as the world's first vibratory pneumatic tire roller for today's contemporary mix designs.

The Tracey Road Equipment sales staff has been fully trained in the application, sales, parts and service of SAKAI products and offers prompt and professional parts and service support. The company supports Sakai in New York and Pennsylvania from their Albany, Binghamton, Rochester, Syracuse and Watertown branch locations.
